PROFESSIONAL SUMMARY

iGaming professional with 4+ years across live casino presenting and casino operations. Used to working on camera, building rapport fast, and coordinating with commercial teams on promotions and partner-facing work. Looking to move into streamer management. Fluent in Finnish and English.

CORE SKILLS

Creator & partner work: Relationship building, onboarding support, campaign and promo coordination, clear commercial communication

iGaming: Live casino, online casino, sportsbook, bonuses and promotions, player engagement

Tools: Intercom, Zendesk, Jira, Confluence

Languages: Finnish (native), English (excellent)

WORK EXPERIENCE

Customer Relations — Glitnor, Malta

August 2023 – Present

- Work with casino products, promotions, and player-facing campaigns daily.
- Build relationships with players and commercial stakeholders; support promo onboarding from setup to go-live.
- Coordinate with CRM, marketing, payments, and compliance when issues need a clear outcome.
- Raise issues in Jira and follow them through; communicate clearly in English and Finnish.

Game Presenter / Help Desk — Evolution, Malta

June 2022 – July 2023

- Hosted live casino games on camera for an international audience.
- Built rapport with players in real time and represented the brand professionally.
- Supported help desk queries and worked closely with studio and operations.

Courier — DHL, Finland

2018 – 2022

- Customer-facing role with independent ownership of daily targets and on-the-spot problem solving.

EDUCATION

Kajaani University of Applied Sciences — 2020 – 2024
