PROFESSIONAL EXPERIENCE

Customer Relations - Glitnor, Malta

August 2023 - Present

- Support day-to-day casino and sportsbook operations by managing player queries across the full journey: registration, deposits, bonuses, gameplay, and withdrawals.
- Monitor promotions, bonus configurations, and campaign setups from an operational perspective; flag configuration issues and player-facing friction to relevant teams.
- Identify operational issues affecting the player experience and escalate to payments, compliance, fraud, and product teams with clear documentation.
- Raise and track product requests, bugs, and improvement tickets through internal systems, following cases through to resolution.
- Work closely with CRM, VIP, and Customer Support on product-related player issues, campaign queries, and account escalations.
- Support retention and promotional initiatives by validating player-facing flows and communicating operational feedback after rollouts.

Game Presenter / Help Desk - Evolution, Malta

June 2022 - July 2023

- Supported live casino operations in a regulated studio environment, hosting games for an international player base.
- Provided help desk support for technical and account-related queries, escalating platform and operational issues to studio and support teams.
- Built awareness of player experience pain points during live gameplay, including payment, technical, and product-related issues at the table.
- Coordinated with operations and support teams to resolve issues efficiently without disrupting the live casino experience.

EDUCATION

Kajaani University of Applied Sciences - 2020 - 2024
