Open to Relocation

PROFESSIONAL SUMMARY

iGaming professional with 4+ years in casino and sportsbook operations across regulated markets (MGA, SGA, Ontario, Dutch KSA). Experienced with promotions, player journeys, and day-to-day coordination with CRM, marketing, and commercial teams. Used to working in English and Finnish, spotting issues early, and following them through in Jira, Intercom, and Confluence.

CORE SKILLS

Operations: Promotion setup & configuration · Player journey support · Campaign coordination · Multi-market compliance · Responsible gaming

Tools: Jira · Intercom · Confluence · Zendesk

Markets & Languages: MGA · SGA (Sweden) · Ontario · Dutch (KSA) · English (fluent) · Finnish (native)

PROFESSIONAL EXPERIENCE

Senior Customer Operations — Glitnor, Malta

August 2023 – Present

- Support casino and sportsbook operations across registration, deposits, bonuses, gameplay, and withdrawals.
- Review, set up, and configure promotions; coordinate campaign launches with CRM and marketing.
- Work across MGA, SGA, Ontario, and Dutch regulated markets, applying the right market rules and RG requirements.
- Raise and track issues in Jira daily; document processes in Confluence.
- Handle player and internal queries through Intercom and Zendesk; work with payments, compliance, VIP, and product when cases need escalation.
- Flag configuration or player-flow problems early and follow them through to resolution.

Game Presenter / Help Desk — Evolution, Malta

June 2022 – July 2023

- Hosted live casino games for an international player base in a regulated studio environment.
- Supported help desk queries and escalated technical or account issues to operations.
- Worked under pressure with clear communication across studio and support teams.

EDUCATION

Kajaani University of Applied Sciences — 2020 – 2024
